## A Great Purchase of Untrimmed Hats and Imported Wings at One-half to Two-thirds Below Regular Prices

From a prominent Philadelphia manufacturer we have closed out a lot of 100 dozen Untrimmed French Felt Hats to sell at a fraction of their real worth, and from another source we have secured a big lot of handsome imported Wings to retail at two-thirds less than regular price. These two events coming at one time form the most important millinery sale known this season—and one not likely to be duplicated in value-giving again.

As this announcement is being written for today's "Times" and "Star" the two mammoth lots are being hurried by express, and will reach us in time for tomorrow's sale.

### Lot One—100 Dozen

## Untrimmed Hats 98c Worth \$2.00 to \$3.50 for

They represent the best shapes worn this season, embracing a very wide range of styles. Finished with wide velvet edges, velvet bindings, and felt bindings. Choice of black and such desirable colors as brown, leather, myrtle, garnet, and navy blue. Not a single hat in the lot is worth a penny less than \$2.60—and the majority are worth \$2.50, \$3.00, and \$3.50. Sale price, 98c.

These are the most sought-after styles for trimming hats. They are the long and large wings which are so popular this season—in staple and fancy shapes—the exact counterparts of the trimmings used on the most expensive imported hats. In black, white, brown, navy blue, light blue, gray, green, garnet and plum—in solid colors and fancy shadings. All are perfectly fresh and clean.
